Aaron:

I am going to be in San Francisco the 28th, 29th, 30th and 31st for OWCP training. So, those days will not work. The BIA is assembling a letter regarding the lease to the parties with a subsequent local meeting planned.

We wanted to wait until at least the letter was sent before having the meeting/conference call.

Stan or Gloria: Do you have any thoughts on a timeline to coordinate with EPA on this matter, providing a better indication on the timing of our call with EPA?

Thanks,

John

I'm out of the office next week, in the field. How's the last week of March look for you regarding a call concerning Pineview Estates? Let me suggest Tuesday the 29th, sometime late morning or early afternoon. Let me know what you think and we'll go from there. Thanks, Aaron

So I'll plan to hit Ft. McDermott at the front-end of the week, and Duck Valley late in the week.....let's tentatively plan on the 28th.

That works better, both scheduling and weather. I am planning to take leave on the 25th. So, with travel on the 26th or 27th, I can plan to meet with you and the Tribe on the 27th or the 28th.

Heather:

Does this work for you?

Other travel priorities require me to change my planned visit to Duck Valley to the last week in April (April 25-29). If this week doesn't work for you let me know and we can look at another week. Aaron
